

Hi Members and Friends,

A big thank you to Sue for all her hard work in putting together this latest **Newsletter** (attached). This has been a difficult time to access members, classes, and tutors, making the task of compiling the newsletter just that bit more challenging. She is very open to receiving any contributions you can make, and with just a little effort on everyone's part, her task becomes that much easier. Give it a go!

As you will read in the newsletter, this coming week is very important for our U3A. On **Friday 13th August, 2.30pm in Cavanbah Centre** we will be holding our Annual General Meeting and it would be wonderful to have as many members as possible present at this critical time. Support your U3A.

And after you have read the newsletter, you can further your knowledge of Australia and Australians by reading any of the interesting contributions John Imrie has written to enlighten you, by going to the "From the Tutors" page of our website, scroll down to the Australian History section and read from a wide selection of John's articles. His latest contribution is on **Joice NanKivell Loch**. (And perhaps pay a visit to some of the Astronomical sites that are also listed on that page)

The newsletter is attached, the AGM is next Friday, and the website is bursting with information, and...

...Sue is waiting for your contribution to the next Newsletter!

See you Friday, and Happy Reading,
admin@ [coffs.u3anet.org.au](mailto:admin@coffs.u3anet.org.au)
