

U3A Committee for 2021-2022

What a difference a few weeks can make. After the AGM (13 /8/21), the committee was really concerned about the future of our U3A. Thankfully people listened to our plea for help and sent us good wishes, helpful hints, and best of all, three new members!

Joining me (Karen), Lesley, Kitch, Kerrie and Wendy are our new Vice President, Jill, as well as Sue and Tracy, who will both be sharing the Course Coordinator's role.

We now have a vibrant and enthusiastic committee to deal with whatever the months ahead have in store.

Hopefully, in the future, we can avoid concerns such as we had earlier. Do keep your U3A committee in mind when you ask yourself where you might contribute your time. We still have vacancies on the committee, and there are many ways in which you could help. And volunteering has its own rewards.

On behalf of the committee, many thanks for your positive responses,

Karen

President, Coffs Harbour U3A
