### **Introduction**

Coffs Harbour U3A is a not-for-profit organisation, based on a principle of mutuality, by which activities and contributions (be they face-to-face or virtual) are organised voluntarily and freely given by members for the benefit of members as stated in our Constitution.

Funds are raised almost entirely by membership subscriptions, and, on occasion, by grants, and are applied to cover the costs of running these activities (venue hire, licences, etc)

### **Membership Subscriptions**

Membership subscriptions apply to each calendar year and members must be financial in order to participate in any of the proposed activities of Coffs Harbour U3A. Membership is paid in order to participate in these mutually beneficial activities. It does NOT provide

- a guarantee of a place being available in any particular activity.
- a guarantee that the organiser of an activity will be available for its proposed duration,
- or that the activity will continue for its proposed duration.

In general, membership subscriptions are non-refundable except at the discretion of the Committee.
